Dump the Pump Catch Public Transit!

Thought about riding NCTD's transit system? Just \$2 buys a single trip on the new SPRINTER trains or BREEZE buses, while a one-way COASTER train ticket costs about as much as a gallon of gas. And our network of buses and trains can get you to hundreds of destinations all over North County. So leave your car at home, catch public transit and then watch the savings add up — instead of your gas bill.
